As regards other items of works they are covered by Government orders already passed from time to time and therefore the contributions expected from Government may be included in the item of receipts.

5. Likewise, having regard to the large allotment made by the District Board last year for Economic Development work and the funds actually spent in that direction, a sum of Rs. 3,000 may be applied for as Government grant for Economic Development Work, for this District and a provision made therefor on the receipt side, an equal amount being provided therefor out of District Funds.

6. Since the Alur Municipal Council is bound by their promise to pay Rs. 300 a year for Alur loop road, on the basis of which enhanced outlay has been incurred, the amount due by them may be included under receipts.

Since henceforth, roads within Municipal limits vest in the Municipal Councils, under Section 44 of the District Board Regulation, the cost of maintenance of these roads may be included under receipts, as contributions from the Municipalities concerned.

7. A sum of Rs. 5,000 may be provided under drinking water wells fund as contribution from Government, a similar provision being made on the expenditure side also out of District Funds, as many incomplete and sanctioned works are now placed in charge of the District Board for being worked out.

8. Steps may be taken for the opening of Veterinary Dispensaries at Chennarayapatna, Belur and Alur and provision made for Municipal contributions therefor according to the prescribed scale.

EXPENDITURE SIDE.

1. Under A. Public Works.

The Iswarahalli causeway work which has long been pending with the D. P. W. under A. P. W., may be transferred to B. P. W. and executed by the District Board agency, as it is pending unexecuted rather too long with the D. P. W. and the urgency of the work is great, since representations are being made for more than ten years for this work.

2. Alur-Kundur road, and Salgame-Halebid road may be put in hand, Government being requested to meet half the cost.

3. The special repairs to Hampapur-Ramanathapur road, Hassan-Periyapatna-Cannanore road and Frazerpet-Ramanathapur road may be taken up when Government would give contribution of half the cost.

4. That suitable toll-houses be provided at all toll-gates wherever they do not exist.

5. That convenient wells be sunk in all shandy grounds wherever there is no convenience for water for men and cattle.

6. That shandy grounds be all improved by planting trees, making roads and drains, and providing shelter as far as possible.

7. The annual maintenance be provided for Kandali-Bylahalli road, Kabbathi shandy road, road from Ambuga Railway station to Hassan-Arkalgud road *via.* Perumanahalli, Kantarajapur-Mandagere road, Halli-Mysore road and other important local roads.

8. That all District Board Travellers' Bungalows and Musafirkhanas be suitably valued and annual maintenance provided for with a suitable annual allotment.

9. Since under Section 44 of the District Board Regulation, roads within the Municipal limits vest in the Municipalities concerned, the contribution of Rs. 158 to Hassan Town Municipality may be omitted under B. P. W. (contributions to Municipal Funds).

C. 1 ADMINISTRATION.

1. As the existing establishment of the District Board Office is insufficient to cope with the work, the volume of which has increased on account of the abolition of the Taluk Boards and their staff and the devolution of all those works and compilation of figures and statistics relating to various departments, on the District Board, the establishment as sanctioned by Government in their Order No. L. 4074-90—Ml 145-25-19, dated 21—28th December 1926, may be entertained and provision made accordingly for the time being, until final orders of Government are received on the reference already made by the District Board in the matter.

Further resolved that the temporary establishment for Record Sorting work be continued for six months and provision made therefor in the budget.

Also, further resolved that one Typist on Rs. 35-3-65 per mensem be entertained, as hand typing work and Roneo Type Printing work are on the increase and a specially trained hand is necessary for the purpose.

2. That owing to the abolition of the Taluk Boards, more touring must be undertaken by the President and Vice-President of the District Board. Hence an increased provision of Rs. 3,000 may be made under travelling allowance to the establishment including that of the President and Vice-President.

As some of the District Board Committee members are in the moffusil and their T. A. has also to be paid and T. A. has also to be paid to the Representative Assembly members attending the District Board meeting during the discussion of Representative Assembly Local Subjects, the T. A. to members may be increased to Rs. 2,000.

Provision of Rs. 1,800 may also be made for the disbursement of conveyance allowance to the President and Vice-President as per Government Notification No. L. 5470—L. B. 25-26-51, dated 5th February 1927.

3. A sum of Rs. 300 for the purchase of additional requisites for the tent and Rs. 200 for M. O. charges for remitting salaries to the employees of the District Board in the moffusil may be provided.

4. Since the ferry is abolished at Gorur and the District Board is deprived of the ferry income under that head, the contribution of Rs. 157 to Sri Yoganarsimhaswami temple at Gorur may be discontinued and the item of expenditure deleted from the budget.

It may also be noted that the toll income from the bridge does not fetch even half the interest that is being paid in respect of the debenture loan raised for the purpose.

5. A sum of Rs. 100 may be provided under contingencies under Public Health D.1 (b) as Stationery and contingency of Rs. 2 per mensem have to be given to each of the four Sanitary Inspectors now in the employ of the Board.

6. That three more midwives may be employed in Vydyasalas, the old strength of six midwives being absorbed in the new L. F. Dispensaries that are proposed to be established in place of existing Vydyasalas, as detailed in statement (F) (a).

7. That provision may be made for the opening of three Veterinary Dispensaries at Chennarayapatna, Belur and Alur.

8. That scavengers may be employed for the musafirkhanas and travellers' bungalow at Sravanabelgola, Belur and Ramanathapur, and Banawar respectively at Rs. 2 per mensem.

Resolution.—The figures were gone through and the following resolutions were passed :—

(Mover—Mr. S. Venkatesaiya).

There is also an offer from a private gentleman to construct a Dispensary building at Chennarayapatna and it is not advisable to put off the matter.

(Movers—Messrs. B. Nanjegowda, G. K. D. Vajranabhiah, K. Abdul Rahim and A. S. Nanjundappa).

(8) That the cost of maintenance of District Fund roads within Municipal limits may be withheld, and the D. P. W. authorities requested to recover the same from the Municipalities concerned, in view of section 44 of the District Board Regulation, by virtue of which such roads vest in the concerned Municipalities and not the District Boards, or contributions obtained from the respective Municipalities. Likewise the payment of Rs. 158 per annum to the Hassan Town Municipality may be withheld.

(Mover—Mr. K. Mahadevappa.)

(9) That likewise the annual payment of Rs. 157 to the Sri Yoganarasimhaswami Temple at Gorur, out of the Gorur Ferry realisations, may be stopped as the ferry itself has been abolished.

(Mover—Mr. N. Nagarajiah.)

(15) That the provision of Rs. 5,000 for special repairs of other District Fund roads, noted under A, Public Works, may be reduced to Rs. 4,000 as the annual maintenance charges allotted for the up-keep of the roads are decent enough.
(Mover—Mr. S. Venkatesaiya).

(16) That the transfer of the construction work of the causeway across the Iswarahallihalla from A. Public Works to B. Public Works, proposed by the Standing Committee, be modified by re-transfer to A. P. Works, as the nature of the work involves technical skill.

(Mover—Mr. S. Venkatesaiya).

(19) That as regards the provision of Rs. 500 for improving the road from Hagare to Halebid a lumpsum provision of Rs. 2,500 may be made for giving contributions to panchayets who may undertake to open or improve local inter-village roads and that therefore the provision of Rs. 500 plus 1,000 and Rs. 1,000 for Hagare-Halebid road, Settihalli-Gorur and Kabbathi road and Ganni-Hole-Narasipur road may be omitted and a lumpsum provision of Rs. 2,500 substituted in the budget.
